how to use the bus

OUR SIMPLE GUIDE

For the best tickets, live times and bus tracking download our app from the App Store and Google Play Store.

Get to the bus stop a few minutes before departure time and raise your arm to signal stop as the bus approaches.

Tell our friendly driver which ticket you want, and if you're 16 or over, remember you'll need to show ID to get our young persons' discounts.

Buy your ticket in advance on our app or buy onboard from the driver. Try to pay using contactless if you can.

Take a seat, enjoy the ride and press the bell when the bus gets close to where you want to get off.
